COAL - Ode to a SCAB Speech

‘’After GOD had finished the rattlesnake, the toad and the vampire, he had some awful substance left in which he made the SCAB.

A SCAB is a two-legged animal with a corkscrew soul, a water brain and a combination backbone of jelly and glue.

Where others have hearts, he carries a tumour of rotten principals.

When a SCAB comes down the street, men turn their backs and angels weep in heaven, and the devil shuts the gates of hell to keep him out.

No man has a right to SCAB so long as there is a pool of water to drown his carcass in, or a rope long enough to hang his body with”

Jack London
